Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Thursday 11 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining mostly cloudy with some light rain during Friday.

This Evening and Tonight:
A cloudy, increasingly breezy and mild night with some mist and a chance of fog, especially across higher ground at first. Some light rain or drizzle probably arriving from the west later in the night. Minimum temperature 8 deg C (46 deg F).

Friday:
A windy day on Friday, and largely cloudy with some rain on and off through the day. A little brightness can also be expected, especially across eastern areas. Maximum temperature 13 deg C (55 deg F).

Outlook for Saturday to Monday:
Winds decreasing into the weekend, but cloudy for most with some patchy rain or drizzle during Sunday. Some fog is likely on Monday.
